

A yellow tracked excavator is the central focus, positioned on a dirt construction site. The excavator's arm and bucket are extended towards the right. In the background, a truck is parked, and a worker in a high-visibility vest is visible. The entire scene is overlaid with a semi-transparent teal graphic consisting of overlapping circles and shapes. The word "Brigade" is written in white, bold, sans-serif font across the top left.

Brigade

Excavator

Brigade's complementary range of safety devices help prevent collisions by assisting the driver whilst protecting workers, pedestrians and cyclists. To help you select which solutions you need, the following information features the Brigade safety products we recommend for excavator.

Which Excavator Products Do I Need?

1
