

A white Brigade street sweeper truck is shown from a side-rear perspective. The truck is equipped with a large, circular green brush that is currently in contact with a brick-paved surface. The truck's body is white with a gold stripe running along the side. The brush is mounted on a metal frame and is positioned between the rear wheels. The ground is a mix of red and green bricks, with some wet patches. The overall scene is brightly lit, suggesting a clear day.
